Moderator's Statement of Receipt

BE COMPLETED AND SIGNED BY THE MODERATOR PRIOR TO LOCKING A
DUPLICATE OF THIS RETURN IN ONE OF THE VOTING MACHINES AFTER THE
CLOSE OF THE POLLS.

I hereby certify that I appeared at the office of the municipal clerk not later than eight
o'clock p.m. of the day before the election or primary and there received from the municipal
clerk the sample ballot labels, the keys for the voting machine(s) and all check lists and

CERTIFICATE NO. 1

TO BE COMPLETED AND SIGNED BY THE ELECTION OFFICIALS INDICATED BELOW,
BEFORE THE OPENING OF THE POLLS.

Section 1.

We, the Undersigned Election Officials, hereby certify that before the polls were opened
the number on the machine seal and the number on the protective counter for the voting
machines, hereinafter designated by machine number, were as follows:

a. Machine Number	b. Number on Machine Seal Before Polls Open	c. Number on Protective Counter Before Polls Open
<u>132787</u>	<u>842436</u>	<u>14778</u>
<u>150536</u>	<u>842438</u>	<u>40106</u>

We further certify that the keys for each such voting machine were delivered to the
star in a sealed envelope; and upon each such envelope was written the number on the
machine seal and the number on the protective counter, which corresponded to the numbers
on each such machine.

That each such sealed envelope was not opened until at least one election official from
each of two political parties was present.

That we carefully examined the Candidate and Question Counters and the Public Counter
for each machine, and found that each such counter registered 000. The numbers registered
on the candidate and question counters of those machines equipped with a device capable of
producing a clear printed record were determined by examining the printed record produced
by such machines; and the numbers registered on the counters of those machines not equipped
with a device capable of producing a clear printed record were determined by opening the
doors concealing such counters and by viewing the same.

That the Ballot Labels of each such machine were in their proper places, and conformed
with the sample ballot labels; and that each machine was examined and determined to have
been properly arranged and adjusted for voting write-in ballots.*

Section 2.

*Write-in ballots not applicable in a
primary.

We, the undersigned Election Officials, hereby certify that as soon as the polls were closed the voting machines were locked against voting and sealed; and the number on the machine seal, the protective counter, and the public counter for the voting machines, hereinafter designated by machine number, were as follows:

We further certify that the Moderator thereafter opened the doors concealing the candidate and question counters of those machines not equipped with a device capable of producing a clear printed record, giving the election officials present a full view of the counter numbers of such machines. The counting compartments of those machines equipped with a device capable of producing a clear printed record were not opened; and the Moderator gave the election officials present a full view of the printed record of the counter numbers of such machines.

That the Moderator read and announced to the Checkers in distinct tones, in the order of the offices as their titles are arranged on the machine, the name of each candidate, the designating number and letter of each candidate's counter and the machine vote registered on such counter; and that the Moderator also, in the same manner, announced the vote for each question² voted on.

That the number of votes received for each candidate and question voted on, and the number received by each person for whom write-in ballots* were cast, were recorded by each Checker in figures on the tally sheets furnished; and that such tally sheets, having been compared and found to agree, are correct to the best of our knowledge and belief.

That the result of the votes cast, including the absentee ballot vote furnished the Moderator by the Absentee Ballot Counters, where applicable,** were in the same manner publicly announced by the Moderator; and that while such announcement was being made, ample opportunity was given to any person lawfully present to compare the results so announced with the counter numbers of the machine, whether by viewing the opened counting compartments or by viewing the printed record, depending upon the method used by the election officials for announcing and recording the vote.

We further certify that a duplicate of this Moderator's Return, properly signed, was placed inside one of the voting machines, after which the doors concealing the counting compartments of the machines were locked, and the keys properly labeled with the number of the machine, the name of the municipality and the number of the voting district or ward at which used, which keys were then placed in the custody of the Moderator to be delivered with a duplicate of this Moderator's Return, properly signed, to the Municipal Clerk.
