**CERTIFICATE NO. 1**

**TO BE COMPLETED AND SIGNED BY THE PRIMARY OFFICIALS INDICATED BELOW, BEFORE THE OPENING OF THE POLLS.**

Section 1.

We, the Undersigned Primary Officials, hereby certify that before the polls were opened the number on the machine seal and the number on the protective counter for the voting machines, hereinafter designated by machine number, were as follows:

a. Machine Number	b. Number on Machine Seal Before Polls Open	c. Number on Protective Counter Before Polls Open
<u>171601</u>	<u>643131</u>	<u>25315</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

We further certify that the keys for each such voting machine were delivered to the moderator in a sealed envelope; and upon each such envelope was written the number on the machine seal and the number on the protective counter, which corresponded to the numbers on each such machine.

That each such sealed envelope was not opened until at least one primary official from each of two political factions was present.

That we carefully examined the Candidate Counters and the Public Counter for each machine, and found that each such counter registered 000. The numbers registered on the candidate counters of those machines equipped with a device capable of producing a clear printed record were determined by examining the printed record produced by such machines; and the numbers registered on the counters of those machines not equipped with a device capable of producing a clear printed record were determined by opening the doors concealing such counters and by viewing the same.

That the Ballot Labels of each such machine were in their proper places, and conformed with the sample ballot labels.

Section 2.

**(TO BE COMPLETED ONLY IF ANY VOTING MACHINE COUNTER IS *NOT* SET AT 000 AND CANNOT BE CORRECTED BEFORE POLLS OPEN)**

## CERTIFICATE NO. 2

**TO BE COMPLETED AND SIGNED BY THE PRIMARY OFFICIALS INDICATED BELOW,  
AFTER THE CLOSING OF THE POLLS.**

We, the undersigned Primary Officials, hereby certify that as soon as the polls were closed the voting machines were locked against voting and sealed; and the number on the machine seal, the protective counter, and the public counter for the voting machines, hereinafter designated by machine number, were as follows:

g. Machine No.	h. Number on Machine Seal After Polls Close	i. Number on Protective Counter After Polls Close	j. Number on Public Counter After Polls Close
175223	672805	20323	234
			TOTAL 234 (from Column j)

We further certify that the Moderator thereafter opened the doors concealing the candidate counters of those machines not equipped with a device capable of producing a clear printed record, giving the primary officials present a full view of the counter numbers of such machines. The counting compartments of those machines equipped with a device capable of producing a clear printed record were not opened; and the Moderator gave the primary officials present a full view of the printed record of the counter numbers of such machines.

That the Moderator read and announced to the Checker in distinct tones, in the order of the offices as their titles are arranged on the machine, the name of each candidate, the designating number and letter of each candidate's counter and the machine vote registered on such counter.

That the number of votes received for each candidate voted on, were recorded by each Checker in figures on the tally sheets furnished; and that such tally sheets, having been compared and found to agree, are correct to the best of our knowledge and belief.

That the result of the votes cast, including the absentee ballot vote furnished the Moderator by the Absentee Ballot Counters, where applicable,\* were in the same manner publicly announced by the Moderator; and that while such announcement was being made, ample opportunity was given to any person lawfully present to compare the results so announced with the counter numbers of the machine, whether by viewing the opened counting compartments or by viewing the printed record, depending upon the method used by the primary officials for announcing and recording the vote.

We further certify that a duplicate of this Moderator's Return, properly signed, was placed inside one of the voting machines, after which the doors concealing the counting compartments of the machines were locked, and the keys properly labeled with the number of the machine, the name of the town and the number of the voting district or ward at which used, which keys were then placed in the custody of the Moderator to be delivered with a duplicate of this Moderator's Return, properly signed, to the Town Clerk.

We further certify the following numbers:
